THE MEN-

PRICE ONE CENT.

NEW YORK, SATURDAY, OCTOBER 18, 1890.

Is the Palo Alto Filly as Great as Report Says?

Some Difference of Opinion About Her Among the Bonners.

4 Rusher in the First Quarter and a Oultter in the Last Says. Frederick Bonner.

and after reading the remarks of Mr. Frederick Bonner, says :

"sunol is anything but a quitter. Look at her mile in 2.10%, the last quarter in 3114 seconds. Does that look like quitting? Any rails that she is a quitter is the veriest nonscore, and I want that recorded."

There is no doubt that Sunol is a great As a three-year-old she did trot a mile n 2, 10% and made the last quarter in 31%

seconds. It was on this record that Mr. Lobert Bonner purchased her at a figure close to \$50,000, the biggest price ever paid for a trotter. It was expected that she would do better in four-year-old form and that she might even beat Mand S.'s record of 2.08%. But she didn't, bhe did not even equal her own,

Of the two statements quoted above Mr. Frederick Bonner's contains the more condusive facts. He save she's a rusher to the first quarter and a quitter in the last.

Mr. Robert Bonner says that in her 21, 1016 mile she trotted the last quarter in 3114 sec onds, and inquires if that looks like quit-

On its face it doesn'r. But if what Mr. Frederick Bonner says is true this statemen dem not prove everything.

shillty to make the mile in the latter time. The same might readily apply to a 2, 10% Prince Bismarck as a Maker of Buthorse trying to go in 2.08,

Of course, no one except the Bonners and

The campaign literature which the P. M. L. has so industriously circulated, condemning his a immistration, the strictures of Candihis administration, the strictures of Candidate Scott in recent speeches, and the work of the Fassett Committee, will all be considered in the letter, and many of the charges made derogratory of Tammany's administration will be refeted.

The letter will probably be the Mayor's only personal appeal of the campaign.

Tammany has recognized the force of interature in politics.

A campaign book of simple proportions is in preparation, and will be distributed thread-ast.

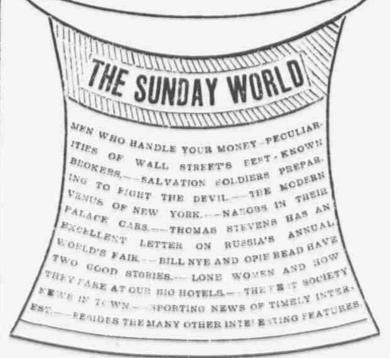

This book tells the tale of reforms accomplished by Mayor Grant during the two years of his administration, and prosents a very strong argument for his re-election.
